Market Gardeners' Wholesale Price List

..1901..

STEWART'S SEED STORE

119 N. 16TH STREET,
OMAHA, NEB.

Garden Seeds are very short in some varieties, almost a failure. Beans are better than last year but not enough to fill requirements. My stock of seed is full, and offers to the buyer a large range of varieties with excellent qualities in all. No efforts will be spared to give each customer perfect satisfaction in filling his order.

Hoping to be favored with your continued patronage, I remain,

Yours truly,

S. B. STEWART.
